

DOCKING STATION

HI-SPEED PORT REPLICATOR

YOUR DESKTOP TO GO!

NO MORE CABLES

Just dock your laptop and start working. The easiest way to get connected to all your desktop peripherals and charge your laptop at the same time.

YOUR WORKING ENVIRONMENT - AS YOU LIKE IT

Local and network printers, external storage, second screen, keyboard and mouse – your working area, just how you like it. With the Hi-Speed Port Replicator you have everything at hand, just by connecting your Toshiba laptop.

VARIOUS INTERFACES IN AN INSTANT

With the USB interfaces of the Hi-Speed Port Replicator you can connect up to 6 USB devices to your laptop at once. Two of them even with USB 3.0. The RJ-45 network and the HDMI port makes it easy to start working directly.
