

# Toshiba e-STUDIO 3511

## 35ppm Black/11ppm Color Copier-Printer-Fax-Scanner

### Highly Recommended

The Toshiba e-STUDIO 3511 offers all the functionality and features expected of a monochrome MFP with the added benefit of color capabilities. This will hold the device in good stead for office managers looking to make the move to color. The device's rich feature set, easy to use user interfaces and aggressive running cost pricing makes the Toshiba e-STUDIO 3511 "the device to beat" in the new convenience color marketplace.
